5.2 Temporary Structures

DIVISION OF LOTS:

9. No lot shall be subdivided into small lots, nor conveyed or encumbered in less than the full original dimensions of such lot, except for purposes of the installation or maintenance of public utilities. This restriction shall not prevent the division of a lot to increase the size of the lots on either side so long as no new building site is created nor made smaller. Nothing herein contained shall prevent the dedication or conveyance of portions of lots for public utilities, in which event the remaining portion of any such lot shall, for the purpose of this provision, be treated as a whole lot. This restriction or any others contained herein shall not prevent the utilization of two or more contiguous lots having common ownership as a single building site.

PETS:

10. No animals, birds or poultry shall be kept or maintained on any lot, except recognized household pets which may be kept thereon in reasonable numbers as pets for the pleasure and use of the

wastes shall be disposed of in accordance with applicable city or

the establishment by Yavapai Hills, Inc., or the Association, of a
horse stable or stables for use of members of the Association upon a
tract or tracts of land which may be set aside specifically for the
purpose.

irrigation ditches or culverts now existing or hereafter installed
without the prior express written approval of the Committee.

12. No weeds, underbrush or other unsightly growths shall be
permitted to grow upon any lot. Waste, rubbish and garbage must be

any lot and must be removed from each lot in accordance with
applicable sanitation regulations. Each lot owner is responsible for
the removal of all waste, rubbish or garbage from their lot. Trash
containers are to be stored in such manner that they are invisible
from adjoining properties, with the provision that they may be placed
near the street the morning of collection and must be removed by
evening of the same day. No waste, rubbish or garbage shall be

-13-
burned or dumped on any lots or any part of Yavapai Hills, Inc. except in such places as may be specifically designated and approved for such purposes by the governmental authorities having jurisdiction thereof. Failure to comply with either this provision 12 or provision 5.2 pertaining to the removal of building debris, automatically grants a right to Yavapai Hills, Inc., its designee, or the Association, to enter upon any lot for purposes of removing waste, rubbish, garbage, or clearing weeds, underbrush or unsightly growth, and all expenses so incurred shall be a charge against the lot, and until paid, shall constitute a lien upon the lot which may be foreclosed pursuant to the procedures outlined in provision 23.

LANDS RETAINED BY YAVAPAII HILLS, INC.:

13. Neither the purchaser of a lot nor any successor in interest thereof shall be deemed to have acquired any proprietary or riparian rights in lands that are retained by Yavapai Hills, Inc., in any improvements on such lands or in any of the lakes, irrigation ditches, or other waterways on such lands.

BUSINESS PROHIBITION AND NUISANCES:

14. No residential lot shall be used in whole or in part for any trade, business or commercial purpose. No residential lot shall be used in whole or in part for the storage of any property or object that will cause such lot to appear in an unclean or untidy condition or that will be obnoxious to the eye; nor shall any lot be used in such manner that it will emit foul or obnoxious odors, will cause unreasonable noise, or will cause a nuisance.

FENCES AND HEDGES:

15. Except as may be otherwise required by law, no lot boundary fences or screens of any kind shall be erected or maintained on any
residential lot. Fences for private patios, swimming pools, tennis courts or pet runs must be first submitted to the Architectural Committee for approval but in no case may they project beyond the property line setback for structures. No hedge shall be maintained on any lot which shall unreasonably restrict or block the view from an adjoining lot, or which shall materially impair the continuity of the general landscaping plans of Yavapai Hills, Inc. In no event shall any hedge be maintained which shall exceed four (4) feet in height without the prior approval of the Committee.

SIGNS, MAILBOXES AND YARD LIGHTS:

16. No sign or advertisement of any kind, other than name plate signs not to exceed one (1) square foot in area, shall be erected or maintained on the premises without the written approval of the Committee. All lot owners are to install an electric street lamp and a mailbox. A post type street lamp of not less than four (4) feet or more than six (6) feet in height is to be located not more than ten (10) feet from the street curb. TV facilities are not available at the lot.

**RESERVATION AND RIGHT OF ACCESS:**

18. Right of access to each lot is hereby reserved to Yavapai Hills, Inc., for general improvements of any person's premises or premises of Yavapai Hills, Inc., but such right of access to any lot shall terminate upon commencement of construction on the lot by the owner.

**OFF-STREET PARKING:**

19. Lot owners shall be responsible for providing off-street parking for all vehicles owned by the lot owner and guests, insofar as possible, to keep the street lanes clear to the movement of traffic, all in accordance with Paragraphs 3.2 and 3.3 hereof.

**SETBACK REQUIREMENTS:**

20. All setback requirements for front, back and side yards, and any and all other setback requirements as are now in effect under the provisions of the Planning and Zoning Ordinance of the City of Prescott, adopted February 12, 1951, as amended June 27, 1989, shall be complied with at all times. In the event such Zoning Ordinance is further amended or is superseded by another zoning ordinance or zoning code of The City of Prescott, or any other municipality having jurisdiction thereof, then and in that event the setback requirements of the Planning and Zoning Ordinance of the City of Prescott, adopted February 12, 1951, as amended June 27, 1989, shall continue to be the setback requirements to be complied with to the extent such requirements are more restrictive than the setback requirements of any such further amendments or superseding zoning ordinances or codes. Notwithstanding anything to the contrary herein, the Committee shall have the right to permit reasonable modification of
the setback requirements where, in the discretion of the Committee, strict enforcement of these setback provisions would work a hardship. However, any such modification shall not be contrary and conflict with the setback requirements of the applicable zoning ordinance, code or other law then in effect, unless the person seeking the modification has obtained from the proper authority having jurisdiction thereof a variance from such zoning ordinance, code or other law that would allow such modification by the Committee, or the Committee may grant the modification conditioned upon the obtaining of such variance. Where two or more lots are acquired as a single building site, the side lot lines shall refer only to the lot lines bordering the adjoining property owners.

TANKS:

21. No elevated tanks of any kind shall be erected, placed or permitted upon any lot unless same are kept screened by adequate planting or lattice, which must be approved by the Committee, to conceal the tank from neighboring lots or streets. In no event shall a tank exceed four feet (4') in height.

RECREATIONAL VEHICLES:

22. Boats, campers, motor homes, travel trailers and other recreational vehicles shall be kept in a garage and out of view of neighboring lots or streets.

YAVAPAI HILLS HOME OWNERS ASSOCIATION:

23. For the purpose of construction, maintenance and improvement of Common Areas and Facilities and of any and all common community services of every kind and nature required or desired in areas owned, acquired by, or under the jurisdiction of the Association for the general benefit and use of members, each and

-17-
every lot owner, in accepting a deed or contract of purchase for any lot in such premises, agrees to and shall be a member of and be subject to the obligations and duly elected By-Laws and Rules and Regulations of the Association, and to pay an annual assessment and any special assessment levied against each lot to provide the necessary funds for the aforesaid purposes. Such assessment shall be paid within thirty (30) days of the due date. Any part of an assessment not paid within thirty (30) days after the due date shall bear interest at the rate of twelve percent (12%) per annum from the due date until paid. The assessment lien on each respective lot shall be prior and superior to all other liens except (1) all taxes, bonds, assessments, and other levies which, by law, would be superior thereto, and (2) the lien or charge of any first mortgage of record (meaning any recorded mortgage or deed of trust with first priority over other mortgages or deeds of trust) made in good faith and for value. Such lien, when delinquent, and after notice of such delinquency has been given to the property owner without the delinquency having been cured within the thirty (30) days of receipt of such notice, shall be treated as a deed of trust in the amount of the delinquency with the property owner as trustor, Capital Title Agency, Inc., as Trustee, and the Association as beneficiary, the Association being authorized to sell or foreclose upon the property pursuant to Arizona Revised Statutes, Section 33-807, et. seq. or in any other manner permitted by law, however, the right to sell or foreclose upon the property shall be in addition to and not in substitution of all of the rights and remedies which the Association and Board may have in accordance with the provision of this Amended Declaration or otherwise. The Association, acting on behalf of the

-18-

lot owners, shall have the power to bid for the lot at the foreclosure sale, and to acquire and hold, lease, mortgage and convey the same. Suit to recover a money judgment for unpaid common expenses, rent and attorneys' fees shall be maintainable without foreclosing or waiving the lien securing the same. The Board may impose reasonable monetary penalties and may temporarily suspend the Association membership rights of a lot owner who is in default after a hearing held in accordance with the By-Laws. No owner may waive or otherwise escape liability for the assessments provided for herein by nonuse of the Common Area and Facilities or abandonment of his lot.

VIOLATION OF COVENANTS, CONDITIONS & RESTRICTIONS:

24. The covenants, conditions and restrictions contained herein shall run with the land and shall be binding on all persons purchasing or occupying any lot in the subdivision after the date on which the instrument is recorded. In the event of any violation or attempted violation of these covenants, conditions and restrictions, they may be enforced and an action may be brought by the Architectural Committee, Association, or by the owner or owners (not in default) of any lot or lots in the subdivision at law or in equity. Such remedies shall include but not be limited to damages, court costs, and attorneys' fees, injunctive relief and/or any and all other rights or remedies pursuant to law; restrictions, or any right of re-entry by reason thereof, shall not defeat or affect the lien of any mortgage or deed of trust made in good faith and for value upon such land, and each and all of these covenants, conditions and restrictions shall be binding upon and effective against any owner of a lot whose title thereto is acquired by foreclosure, trustee's sale or otherwise; and provided also that the breach of any
said covenants, conditions and restrictions may be enjoined, abated or remedied by appropriate proceedings, notwithstanding the lien or existence of any such mortgage or deed of trust. Failure by the Architectural Committee, Association or by the owner or owners (not in default) to enforce any covenant or restriction herein contained shall in no event be deemed a waiver of the right to do so thereafter.

All instruments of conveyance of an interest in all or any part of the premises shall contain (and if not, shall be deemed to contain) reference to this instrument and shall be subject to the covenants, conditions and restrictions herein as fully as though the terms and conditions of this instrument were therein set forth in full; provided, however, that the terms and conditions of this instrument shall be binding upon all persons affected by its terms, whether express reference is made to this instrument or not. No private agreement of any adjoining property owners shall modify or abrogate any of these restrictive covenants, conditions or restrictions.

INVALIDITY AND SEVERABILITY:

25. Invalidity of any one or more of these covenants, conditions and restrictions or any portion thereof by judgment of court order in no way affects the validity of any of the other provisions and the same shall remain in full force and effect. No provision hereof shall be considered invalid if any reasonable construction of Declarant's intent can give effect to any such provision.
DURATION OF DECLARATION OF RESTRICTIONS:

26.
