No Dwelling Unit or Residential Tract shall be used in whole or in part for the storage of any property or object that will cause such Dwelling Unit or Residential Tract to appear in an unclean or untidy condition or that will be obnoxious to the eye; nor shall any Dwelling Unit or Residential Tract be used in such manner that it will emit foul or obnoxious odors, will cause unreasonable noise, or will cause a nuisance. No thing or condition shall exist upon any portion of the Property which shall induce, breed or harbor plant or other disease or noxious insects or other pests or which shall pose a health or safety hazard of any kind.

5.9 Fences and Hedges. Except as may be otherwise required by law, no Dwelling Unit or Residential Tract boundary fences or screens of any kind shall be erected or maintained on any Dwelling Unit or Residential Tract. (ix) Each single level Dwelling shall have a minimum of 1600 square feet of living area.

(x) Each two-story Dwelling shall have a minimum of 1400 square feet of living area on the main level and a total living area of not less than 2000 square feet.

(xi) Each one and one-half story Dwelling shall have a minimum of 1400 square feet of living area on the first floor and a total living area of not less than 2000 square feet.

(xii) Each split or multi-level Dwelling shall have a minimum of 2000 square feet of living area.

8.2 Height. The height limitation of buildings shall be two stories, but not to exceed 30 feet at any point on the side of a building facing a dedicated street or a private roadway platted on a subdivision plat of the Property, but a building may have an additional story on a downhill side not facing such roadway or street with approval of the Committee.

8.3 Setback Requirements. All setback requirements for the Property shall be measured to the face of each Dwelling or other building constructed on the Residential Tract or Dwelling Unit. All Dwellings and other buildings shall be constructed within the setback requirements set forth on the plat for each Residential Tract or Dwelling Unit. Notwithstanding anything to the contrary herein, the Committee shall have the right to permit reasonable modification of the setback requirements where, in the discretion of the Committee, strict enforcement of these setback provisions would work a hardship, or, in the case of a front yard setback, where the topography of the Lot or Residential Tract may necessitate a different setback. However, any such modification shall not be contrary and conflict with the setback requirements of the applicable zoning ordinance, code or other law then in effect, unless the person seeking the modification has obtained from the proper authority having jurisdiction thereof a variance from such zoning ordinance, code or other law

that would allow such modification by the Committee, or the Committee may grant the modification conditioned upon the obtaining of such variance. Where two or more Dwelling Units are acquired as a single building site, the side Dwelling Unit lines shall refer only to the Dwelling Unit lines bordering the adjoining property owners.

9. YAVAPAI HILLS HOME OWNERS ASSOCIATION.

9.1 Association. For the purpose of construction, maintenance and improvement of Common Areas and Facilities and of any and all common community services of every kind and nature required or desired in areas owned, acquired by, or under the jurisdiction of the Association for the general benefit and use of members, each and every Owner, in accepting a deed or contract of purchase for any Dwelling Unit or Residential Tract, agrees to and shall be a member of and be subject to the obligations and duly elected By-Laws and Rules and Regulations of the Association, and to pay annual assessments and any special assessment and any other charges levied against each Dwelling Unit or Residential Tract pursuant to this Declaration, the Articles of the By-Laws to provide the necessary funds for the aforesaid purposes. Every Owner, by virtue of being an Owner, automatically shall be a Member of the Association, and shall thereafter remain such for as long as he remains an Owner. Such membership shall be appurtenant to and pass with the title to any Dwelling Unit or Residential Tract. No change in the Owner shall be effective for voting or other purposes unless and until the Board is given actual written notice of such transfer.

9.2 Voting Rights. Members shall have voting rights as provided in the Articles and By-Laws.

9.3 Assessments. All Assessments shall be paid within thirty (30) days of the due date. Any part of an Assessment not paid within thirty (30) days after the due date shall bear interest at the rate of twelve percent (12%) per annum from the due date until paid. Each Dwelling Unit and Residential Tract shall be charged with and subject to a continuing servitude and lien from the date of recordation of this Declaration or a Supplemental Declaration for the amount of the Assessments against each such Dwelling Unit or Residential Tract (hereinafter called the "Assessment Lien"). The Assessment Lien on each Dwelling

Unit and Residential Tract shall be prior and superior to all other liens except (1) all taxes, bonds, assessments, and other levies which, by law, would be superior thereto, and (2) the lien or charge of any first mortgage of record (meaning any recorded mortgage or deed of trust with first priority over other mortgages or deeds of trust) made in good faith and for value. Such lien, when delinquent, and after notice of such delinquency has been given to the Owner without the delinquency having been cured within the thirty (30) days of receipt of such notice, shall be treated as a deed of trust in the amount of the delinquency with the Owner as trustor, Capital Title Agency, Inc., as Trustee, and the Association as beneficiary, the Association being authorized to sell or foreclose upon the property pursuant to Arizona Revised Statutes Section 33-807 et seq. or in any other manner permitted by law, however, the right to sell or foreclose upon such Dwelling Unit or Residential Tract shall be in addition to and not in substitution of all of the rights and remedies which the Association and Board may have in accordance with the provision of this Declaration or otherwise. The Association, acting on behalf of the Owners, shall have the power to bid for such Dwelling Unit or Residential Tract at the foreclosure sale, and to acquire and hold, lease, mortgage and convey the same. Suit to recover a money judgment for unpaid Assessments, other costs and attorneys' fees shall be maintainable without foreclosing or waiving the lien securing the same. The Board may impose reasonable monetary penalties and may temporarily suspend the Association membership rights of an Owner who is in default after a hearing held in accordance with the By-Laws. No Owner may waive or otherwise escape liability for the Assessments provided for herein by nonuse of the Common Area and Facilities or abandonment of his Dwelling Unit or Residential Tract.

9.4 Evidence of Payment of Assessments and Charges. Upon receipt of a written request by an Owner or any other person, the Association within a reasonable period of time thereafter shall issue to such Owner or other person a written certificate stating (a) that all Assessments have been paid with respect to the specified Dwelling Unit or Residential Tract as of the date of such certificate, or (b) if all such amounts have not been paid, the amount of such Assessments against such Dwelling Unit or Residential Tract due and payable

as of the date of the certificate. The Association may make a charge for the issuance of such certificates, which charge must be paid in advance at the time the request for any such certificate is made. Any such certificate, when duly issued as herein provided, shall be conclusive and binding with respect to any matter therein stated as against any bona fide purchaser of, or lender on, the Dwelling Unit or Residential Tract in question.

9.5 Association's Remedies. If the Owner of any Dwelling Unit and Residential Tract or any other person or entity breaches any provision of this Declaration (including but not limited to any failure to pay any Assessments when due), the Association (or the Committee, where appropriate), may enforce the same under any remedy available at law or in equity, including but not limited to taking any or all of the following actions, concurrently or separately (and, by seeking any such remedy, the Association or Committee does not by election or otherwise prejudice or waive its rights to exercise any other remedy):

- (a) Bring an action to recover money damages and costs;
- (b) Seek an injunction against the continuance of the breach;
- (c) Seek specific performance of any affirmative covenant;
- (d) Enforce the Assessment Lien by foreclosure as a realty mortgage or by sale as under a deed of trust (in which regard each Owner hereby expressly grants a power of sale to the Association) or otherwise, and pursue any deficiency; the Association having the right: (i) to make payments on any prior lien, which payments shall bear interest at the same rate as delinquent Assessments and which (with such interest) shall be secured by the Assessment Lien, and (ii) to bid on any interest sold or foreclosed and to acquire, hold, mortgage, lease, sell or otherwise deal with the same.

If the Association shall fail or refuse to enforce a mandatory provision of this Declaration for an unreasonable period of time (which shall exceed at least 30 days) after written request by at least ten (10) Owners to do so, then the requesting Owners may enforce them on behalf of the Association by any appropriate action, whether at law or in equity.

9.6 Transfer of Lot. Sale or transfer of any interest in a Dwelling Unit and Residential Tract shall not affect the Assessment Lien; provided, however, that if the sale or transfer is pursuant to foreclosure of such a mortgage or deed of trust, or pursuant to any sale or proceeding in lieu thereof, any such purchaser or transferee shall take the Dwelling Unit and Residential Tract free of all Assessments that have accrued up to the date of issuance of a sheriff's or trustee's deed or deed in lieu but such purchaser or transferee shall take subject to all Assessments accruing on and subsequent to the date of issuance of a sheriff's or trustee's deed or deed given in lieu. Any Assessments so relieved may, however, be collected by assessment (specially or in the next Annual Assessment) against all Dwelling Units and Residential Tracts (including the subject Dwelling Unit and Residential Tract) and shall be secured by the Assessment Lien against all such Dwelling Units and Residential Tracts. No exemption under this Section shall release any defaulting Owner of his personal obligation for amounts so exempted.

10. LANDS RETAINED BY YAVAPAI HILLS, INC.

Neither the purchaser of a Dwelling Unit or Residential Tract nor any successor in interest thereof shall be deemed to have acquired any proprietary or riparian rights in lands that are retained by Yavapai Hills, Inc., in any improvements on such lands or in any of the lakes, irrigation ditches, or other waterways on such lands.

11. SUBJECTION ADDITIONAL LAND TO THE DECLARATION.

11.1 Requirements for Subjecting Additional Lands. From time to time, the size of the Property may be increased by Yavapai Hills, Inc. adding, or permitting others to add, land thereto by Yavapai Hills Inc. recording with the County Recorder of Yavapai County, Arizona, a Supplemental Declaration. The Supplemental Declaration shall be signed and acknowledged by or on behalf of Yavapai Hills, Inc. and the Owner of the Additional Land if other than Yavapai Hills, Inc. Each such Supplemental Declaration shall at least:

- (a) describe the land being added as part of the Property;
- (b) state that such land and the improvements thereon are expressly subjected to all of the terms of this Declaration;

(c) set forth any supplemental covenants, conditions, restrictions, assessments, charges, servitudes, liens, reservations and easements concerning such land.

Any Supplemental Declaration shall be considered as a supplement to this Declaration and fully a part hereof for all purposes. The addition of such Additional Property to the Property, and such land's becoming subject hereto, shall be effective immediately upon recordation of such Supplemental Declaration or such other date as may be set forth in the Supplemental Declaration.

11.2 Withdrawal of Additional Property. Any Additional Property, or portions thereof, may be withdrawn and removed from the Property by recordation of a Notice of Withdrawal of such Additional Property. The Notice of Withdrawal shall set forth the legal description of the Additional Property to be withdrawn, shall state that such Additional Property shall no longer be subject to this Declaration and any Supplemental Declaration executed with respect thereto, and shall be signed and acknowledged by or on behalf of Yavapai Hills, Inc. and all of the Owners of the Additional Land if other than Yavapai Hills, Inc. The withdrawal of such Additional Property from the Property shall be effective immediately upon recordation of such Notice of Withdrawal, or such other date as may be set forth in the Notice of Withdrawal.

12. TERM; AMENDMENTS; TERMINATION.

12.1 Duration of Declaration. The aforesaid provisions, covenants, conditions and restrictions, and each and all thereof, shall run with the land and every part thereof, and shall be binding upon the Property and the Owners thereof until twenty (20) years from the date of recording of this Declaration, after which they shall be automatically extended for successive periods of ten (10) years each unless an instrument signed by the Owners holding a majority of the votes attributable to the Property has been recorded agreeing to terminate the same.

12.2 Amendment. This Declaration may be amended by Recording with the County Recorder of Yavapai County, Arizona, a Certificate of Amendment, duly signed by the President of the Association. The Certificate of Amendment shall set forth in full the amendment adopted and, shall certify that it has been

approved (either at a meeting duly called for such purpose, or by consent in lieu thereof) by the Owners holding at least fifty-one percent (51%) of the votes attributable to the Property.

13. GENERAL.

13.1 Violation of Covenants, Conditions and Restrictions. The covenants, conditions and restrictions contained herein shall run with the land and shall be binding on all persons purchasing or occupying any Dwelling Unit or Residential Tract in the Property after the date on which the instrument is recorded. In the event of any violation or attempted violation of these covenants, conditions and restrictions, they may be enforced and an action may be brought by the Committee, the Association, or by any Owner at law or in equity. Such remedies shall include but not be limited to damages, court costs, and attorneys' fees, injunctive relief and/or any and all other rights or remedies pursuant to law. These covenants, conditions and restrictions or any right of re-entry by reason thereof, shall not defeat or affect the lien of any mortgage or deed of trust made in good faith and for value upon such land, and each and all of these covenants, conditions and restrictions shall be binding upon and effective against any Owner whose title is acquired by foreclosure, trustee's sale or otherwise; and provided also that the breach of any said covenants, conditions and restrictions may be enjoined, abated or remedied by appropriate proceedings, notwithstanding the lien or existence of any such mortgage or deed of trust. Failure by the Committee, the Association or by any Owner to enforce any covenant or restriction herein contained shall in no event be deemed a waiver of the right to do so thereafter.

13.2 Invalidity and Severability. Invalidity of any one or more of these covenants, conditions and restrictions or any portion thereof by judgment of court order in no way affects the validity of any of the other provisions and the same shall remain in full force and effect. No provision hereof shall be considered invalid if any reasonable construction of Yavapai Hills, Inc.'s intent can give effect to any such provision.

13.3 Deeds of Conveyance. All instruments of conveyance of an interest in all or any part of the Property shall contain (and if not, shall be

deemed to contain) reference to this instrument and shall be subject to the covenants, conditions and restrictions herein as fully as though the terms and conditions of this instrument were therein set forth in full; provided, however, that the terms and conditions of this instrument shall be binding upon all persons affected by its terms, whether express reference is made to this instrument or not. No private agreement of any adjoining Owners shall modify or abrogate any of these restrictive covenants, conditions or restrictions.

13.4 Absence of Obligation. Anything herein contained to the contrary notwithstanding, it is understood and agreed that Capital Title Agency, Inc., an Arizona corporation, shall have no obligation to see to the performance or non-performance of any of the covenants herein contained and shall not be personally liable for any action or non-action taken in violation of any of the covenants herein.

13.5 Rule Against Perpetuities. If any interest purported to be created by this Declaration is challenged under the Rule against Perpetuities, then such provision shall continue until twenty-one (21) years after the death of the survivor of the now living descendants of the President of the United States on the date hereof.

13.6 Change of Circumstances. Except as otherwise expressly provided in this Declaration, no change of conditions or circumstances shall operate to extinguish, terminate or modify any of the provisions of this Declaration.

13.7 Disclaimer of Representations. Anything to the contrary in this Declaration notwithstanding, Yavapai Hills, Inc. makes no warranties or representations whatsoever that the plans presently envisioned for the complete development of the Property or Yavapai Hills can or will be carried out or that any land now owned or hereafter acquired by it will be subject to this Declaration, or that any such land (whether or not it has been subject to this Declaration) will be committed to or developed for a particular (or any) use, or that if such land is once used for a particular use, such use will continue in effect.

13.8 Captions and Titles. All captions, titles or headings of the Sections and Paragraphs in this Declaration are for the purpose of reference and convenience only, and are not to be deemed to limit, modify or otherwise affect any of the provisions hereof, or to be used in determining the intent or context thereof.

13.9 Notices. Except as otherwise provided in this Declaration, any notice to any Owner under this Declaration shall be in writing, shall be effective on the earlier of (i) the date when received by such Owner, or (ii) the date which is three days after mailing (postage prepaid) to the last address of such Owner set forth in the books of the Association. The address of an Owner shall be at his Dwelling Unit or Residential Tract (or any of them if more than one) unless otherwise specified in writing to the Association. The Articles and By-Laws shall specify the permissible manner of giving notice for voting and all other Association matters for which the manner of giving notice is not prescribed in this Declaration.

13.10 Governing Law. This Declaration shall be deemed to be made under, and shall be construed in accordance with and shall be governed by, the laws of the State of Arizona, and suit to enforce any provision hereof or to obtain any remedy with respect hereto may be brought in Superior Court, Yavapai County, Arizona, and for this purpose each Owner by becoming such hereby expressly and irrevocably consents to the jurisdiction of said Court.

13.11 Nonliability. To the fullest extent permitted by law, neither Yavapai Hills, Inc., the Association, the Board, the Committee, any other committees of the Association, any Owner, Member, owner, officer, director, employee, agent, owner nor shareholder of any of the above, shall be liable to any person or entity for any damage, loss, cost, expense or prejudice suffered or claimed on account of any decision, approval or disapproval of plans or specifications (whether or not defective), course of action, act, omission or the like made in good faith, whether or not erroneous or negligent, which they reasonably believed to be within the scope of their respective duties and rights

hereunder or in connection herewith and the Association shall indemnify and hold them harmless to the full extent permitted by law against the same.
